

Statement of Faith

The Bible

God's inspired Word provides us with a completely accurate, reliable guidance on what to believe and how to live.

God

There is one true God, who eternally exists in three persons: Father, Son and Holy Spirit.

Sin

Every person has rejected and neglected God, resulting in separation from him in this life and the life to come.

Salvation

Jesus Christ, God the Son, was sent into the world, and died on the cross in order to rescue people from sin and its dire consequences.

Turning away from a lifestyle of sin and believing in Jesus is the only way to restore our relationship with God by placing our trust in him.

The Holy Spirit makes people aware of their need to turn from sin to Christ, and empowers Christ's followers to live a life that honors God.

The Church

The Church consists of all people in the world who follow Jesus and work together to spread the good news about him.

God has established two significant rites for the Church to observe: water baptism and the Lord's Supper.

Final Judgment & Afterlife

Jesus, our living Lord, will someday return to earth. Ultimately all people will be raised from the dead and will stand before him to be judged.

Those who reject Christ will face eternal punishment and those who turn to Christ will spend eternity in heaven.
