

WAYS TO SUPPORT ELV

Dear Families,

Early Learning Village (ELV) is excited to inform you that we are actively enrolled with the eScrip program. **eScrip Online Mall** is a fantastic resource where participating business partners contribute a percentage of your purchases to the school, group, or organization of your choice. Visit **escrip.com** for a complete list of participants in the program. Some of the merchants include Amazon, Kohls, Target, and Toys R Us.

To sign up, go to **[eScrip.com](http://escrip.com)** and click **Shop At The Online Mall**, then Sign Up. Select **Early Learning Village** as your school of choice.

Each time you shop online, go through the **eScrip Online Mall** to direct you to the website of your choice and then shop as usual. There is also a quick link for Amazon on the ELV webpage. A percentage of your purchases will automatically be contributed to ELV.

The money earned will be used to benefit ELV, to help increase classroom resources and equipment.

We thank you for your support!

Jean Earhart
